CARE MANAGEMENT

Care management includes the following components:

- Reviewing the Home Care Agreement
- Developing individualised personal Care Plan and budget.
- Coordination and Scheduling of Services.
- Liaising with GP's, Medical specialist & Allied health clinicians.
- Ensuring care is aligned with other supports.
- Providing a point-of-contact for the client or their support network.
- Identifying and addressing risks to the client's safety.
- Arranging social activities, support services & respite as required.
- Ensuring all documentation is meeting Aged Care standards & is up to date.
- Supporting end of life choices and ensuring appropriate documentation is completed.

CLIENT CONTRIBUTION

Your contribution rate is determined by the Government (Services Australia). It is based on the type of service you wish to receive, your pension status as well as your income and asset assessment. You will need to pay contributions at your assessed rate for services received from the Everyday Living and Independence categories. You do not need to pay any contribution towards services received from the Clinical category.

TERMS AND CONDITIONS

1. Fees and charges will be reviewed from time to time based on changes to labour rates and CPI.
2. All above rates are GST Exclusive. GST will be applied to selected services based on the ATO guidelines.
3. To avoid being charged for cancelled visits we require 24 hours notice.
4. Services are subject to availability of staffing and transportation.
